SYMPOSIUM 12 (S12)

TOP PHACO PEARLS*Co-hosted by the Royal College of Ophthalmologists of Thailand (RCOT)*

Take home a Phaco Tip you can use immediately!

Scientific meetings are rightly centered on scientific method, randomized controlled trials and peer reviewed publications. However, cataract surgery is very dependent on a surgeon's skill and experience; things not easily distilled from a textbook or journal. This video session features 14 of the world's most renowned cataract surgeons, each offering a practical phaco tip that you can use immediately on your next visit to the operating theater. A prize will be awarded for the most useful tip presented.

Panelists: **Pannet PANGPUTHIPONG** (RCOT-Thailand) • **Ronald YEOH** (APACRS-Singapore)
 • **Graham BARRETT** (APACRS-Australia) • **Roger STEINERT** (ASCRS-USA)

Each Video presentation is for 5 minute
